Three Ways to Get Ahead AND Make a Difference!

If you're an employer looking to grow your team and make a difference in your community, **Triumph Vocational Services** has three easy hiring solutions you may want to consider.

Let us help you choose the best fit for your company:

- 1) **Job Shadowing:** allows Triumph participants to spend the workday following someone on the job as they perform the required duties for their position.
- 2) **Volunteering:** a great way for our participants to explore their vocational choices and contribute to the community. It can also be a stepping stone to employment.
- 3) **Work Experience:** allows participants to be involved in training and the day-to-day responsibilities of a job, but the work is unpaid and time-limited.

By thinking outside the box when it comes to hiring, you can create an opportunity for someone who has been under-employed and is motivated to get back into the workforce. We make sure that the best fit for you is also the best fit for our candidate; together, we create win-win opportunities.

Whether you're looking for part-time or full-time help, volunteers or trainees, we have a match for you!
